Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

This is in response to a restriction requirement dated November 4, 2003, the date of response being December 4, 2003. This response is timely filed within the shortened statutory period for reply. The Examiner required restriction under 35 U.S.C. § 121 between:

- Group I (claims 1-26, drawn to a low reflection glass article); and
- Group II (claims 27-29, drawn to a method of making coated glass).

Atty Docket No.: SOHMEI/NIPPONSHEETGLASS.PT1 PATENT

Applicant provisionally elects to prosecute Group I, claims 1-26, with traverse. Applicant submits the examination of the entire application on its merits would not present a serious administrative burden to the Examiner and therefore respectfully traverses the restriction requirement.

The above-discussed remarks are believed to place the present Application in condition for allowance. Should the Examiner have any questions regarding the above remarks, the Examiner is requested to telephone Applicant's representative at the number listed below.

Respectfully submitted,

Date: December 4, 2003
